

PLAN MEASURE - DEMO FLOOR PLAN

Synthetic vector drawing for calibration and measurement testing - NOT FOR CONSTRUCTION

CALIBRATION BAR - EXACTLY 5.00 m

For Plan Measure: click the 0 and 5 endpoints, then enter 5 m.

REFERENCE DIMENSIONS

Known geometry for calibration and verification

1.	Calibration bar	5.00 m
2.	Overall plan width	12.00 m
3.	Overall plan height	8.00 m
4.	Studio clear width	4.00 m
5.	Studio clear height	3.00 m
6.	Studio perimeter	14.00 m
7.	Studio area	12.00 m²

DRAWING NOTES

- A3 landscape, single page, single scale.
- Scale 1:50. All stated dimensions are metric.
- Vector geometry remains sharp at high zoom.
- Synthetic test drawing - not for construction.
- No furniture or decorative elements are included.
